

**Guidelines for the  
Deer Mountain Community Organization**

Within our organization and at our meetings, members and prospective members and guests agree to abide by the following guidelines:

1. One member, one vote
2. Every member has an equal right to speak and to serve.
3. Anyone may become a member who is willing to follow our guidelines and bylaws.
4. The purpose of this organization is to provide benefits to members and our community.
5. We are here to cooperate with each other. Since our members are our neighbors, we agree to treat each with respect, honesty and friendliness.
6. At times we will disagree with each other but we agree to do so without becoming enemies.
7. The chair person may be rotated from meeting to meeting, so that all who wish to serve, have a chance to serve.
8. We agree that during a meeting, the chair person is in charge of the meeting.
9. This is a membership-driven organization. Directors are elected to help implement the motions passed at membership meetings.
10. We declare our agreement with these guidelines by signing and dating below.
